

TOWN CENTER BIKE SHARE PROGRAM

With the first CID-sponsored bike share program in the state, the Town Center CID has initiated a movement to bring cycling to the forefront of mobility and recreation options in the district. The Town Center Bike Share program allows an individual to rent a bike for personal use to run errands, assist in transportation or for recreational enjoyment. Trips under one hour are free!

To join and learn more, please visit <http://zagster.com/towncenter/>
